Community Development Foundation was registered under societies Registration Act, 1860. The achievement of the Foundation in this years is as under:-

- 1) Community Development Foundation: Empowering Women, Enriching Lives
- 2) Since its inception in 2009, the Community Development Foundation (CDF) has been steadfast in its commitment to the empowerment of women across the globe. With a resolute focus on ten defined development sectors, CDF has transformed countless lives and made significant strides in bridging the gender gap. Here are some remarkable achievements that highlight our journey of empowerment:
- 3) Empowering Women Locally and Globally:  
Over the past decade, CDF has worked tirelessly to empower women at all levels, from local communities to the global stage. Through a range of initiatives, workshops, and programs, we have equipped women with the skills, knowledge, and resources they need to excel in their chosen fields.
- 4) International Women's Day Conference:  
Since 2021, CDF has been at the forefront of organizing an annual International Women's Day conference. This platform serves as a dynamic bridge connecting women from more than 150+ countries worldwide. The

conference provides a space for sharing experiences, insights, and best practices, fostering cross-cultural collaboration and igniting change.

- 5) 16 Days of Activism for Development:
- 6) From 2021, CDF took a stand against gender-based violence by launching the "16 Days of Activism for Development" campaign. This initiative covered over 60+ countries and amplified the message of gender equality, sparking conversations and driving action at every level of society through initiating Pre campaigns in schools, colleges and universities also involved communities at larger scale. Also conducted **TRAIN THE TRAINER** program and trained more than 50 master trainers internationally. Also launched a **TRAIN THE TRAINING MANUAL** Reviewed and Supported by LTT global Communication Malaysia
- 7) Green Revolution Campaign and Ratify C190:  
Under the banner of the green revolution campaign, CDF has been a driving force in advocating for the ratification of Convention 190 (C190) by numerous countries. This landmark step towards eliminating violence and harassment in the world of work underscores our dedication to creating safe and inclusive environments for women everywhere.  
  
Celebrating International Rural Women's Day:
- 8) CDF recognizes the pivotal role that rural women play in shaping local economies. In honor of International Rural Women's Day, we have organized celebratory events aimed at raising awareness about the invaluable contributions of rural women and encouraging their active participation in economic growth.
- 9) Through unwavering commitment and relentless efforts, CDF has achieved remarkable milestones in its pursuit of gender equality and women's empowerment. As we continue to stride forward, we remain resolute in our mission to empower women from all walks of life, ensuring they have equal opportunities, a supportive network, and a platform to elevate their voices.
- 10) Join us in celebrating a decade of empowering women and making a lasting impact on communities worldwide!\*
